The Company is committed to being a drug-free employer. Although Oregon permits the use and possession of marijuana for medical purposes and recreational use, federal law does not. Where state law and federal law differ, the Company will typically comply with federal law, and that is our position regarding marijuana. Following federal law, and in the absence of state law to the contrary, the Company considers marijuana to be an illegal drug for purposes of our policies. Therefore, the state's legalization of recreational and medical marijuana does not affect the Company's right to enforce our drug and alcohol policies, including our drug testing policies. Testing positive for marijuana may result in disciplinary action, up to and including termination of your employment. I understand that if selected for employment with the Company, I may be required to participate in a pre-employment drug testing program at a company authorized, licensed medical facility which includes screening for the presence of controlled substances. I understand that the results will be kept strictly confidential. I hereby release Kemper Sports Management, any employees or agents thereof from any and all claims or causes of action resulting therefrom.

_____ (Applicant's Initials)

I understand that if I am hired, telephone communications I make in the course of my employment may be monitored by the Company for training and evaluation purposes.
